

Three Doors Down, Landing in London

I woke up today in London
As the plane was touching down.
All I could think about was Monday
and maybe i'd be back around.
If this keeps me away much longer I don't know what I would do.
You've got to understand it's a hard life that i'm going through.
And when the night falls
in around me.
And I don't think i'll
make it through.
Use your light to guide the way, Cause all I think about is you.
L.A. is gettin kinda crazy,
and New York's gettin kinda cold,
I keep my head from getting lazy
I just can't wait to get back home.
And all these days I spend away
I'll make up for this I swear
I need your love to hold me up
When it's all too much to bear
And when the night falls
in around me and I don't think
i'll make it through
Use your light to guide the way
Cause all I think about is you
And all these days I spend away
I'll make up for this I swear
I need your love to hold me up
when it's all to much to bear
When the night falls around me
and I don't think i'll make
it through
Use your light to guide the way
Cause all I think about is you
