

# Three Doors Down, This time

Unsure of yourself  
You stand alright and now  
Were sure will led you there  
Last time you fell and you hit hard  
Your wounds have healed by now  
But you still see your scars yeah  
But its not the way it use to be right now  
You come so far to just let this go my friend  
The same way you did the last time  
Youll break when you fall  
Dont make the same mistakes you did all over  
Youve got to believe in yourself this time  
Live on, live it up today  
This lifes your cup  
So drink it up I say, yeah  
Say its mine so give it all up to me now  
And walk that line, dont let this go, dont go out the  
Same way you did the last time  
Your break when you fall  
Dont make the same mistakes you did all over  
Youve got to believe in yourself this time  
Lifes your cup, lifes your cup  
Drink it up  
Lifes your cup, lifes your cup  
The same way you did the last time  
Youll break when you fall  
Dont make the same mistakes you did all over  
You got to believe in yourself this time [x2]
