

Three Doors Down, When I'm gone

There's another world inside of me that you may never see.

There's secrets in this life that I can't hide.

Somewhere in this darkness there's a light that I can't find.

Maybe it's too far away

Or maybe I'm just blind

Maybe I'm just blind

(Chorus)

So hold me when I'm here, right me when I'm wrong, hold me when I'm scared, and love me when

Everything I am, and everything in me I'll also be the one you wanted me to be. I'll never let you do

I'd give up everything if only for your good. So hold me when I'm here, right me when I'm wrong. Yo

When your education x-ray cannot see under my skin.

I won't tell you a damn thing that I could not tell my friends. Roaming through this darkness, I'm alive

(Chorus)

So hold me when I'm here, right me when I'm wrong, hold me when I'm scared, and love me when

Everything I am, and everything in me I'll also be the one you wanted me to be. I'll never let you do

I'd give up everything if only for your good. So hold me when I'm here, right me when I'm wrong. Yo

Maybe I'm just blind.
