

Thumb, Lie To You

you shouldn't believe a word of what i say just to begin with..
you shouldn't let someone like me rule your life like a show-biz..
'cause i'm strong when you're weak, so i lie when i speak,
and i cheat and i treat you like shit,
"hey", you shouldn't let anyone else run the rest o' time for ya,
you shouldn't believe me when i say i adore ya..
its just that i tried, tried, tried, tried, tried, now i hate you so much,
it's all makin' me sick, so i...
lie...
in your face...
'cause you drive...
me insane!

with ev'rything you ever did, you made me lie to you,
so ev'ry word i'll ever speak, you'll never like the truth!
now ev'rything i ever want, is not to lie to you,
but its the way you make me feel, that makes me lie to you!

you shouldn't (even) begin to think that in part you might own me..
you shouldn't let someone like me change your life, you don't know me,
'cause my mind might be vicious, so cold and ambitious..i feed of your trust, doesn't that make you
i'm not what you want me to live up to and i'm not gonna give up what i know that i must do! but tha
it's all makin' me blind, so i...
lie...
in your face...
'cause you drive...
me insane!

with ev'rything you ever did, you made me lie to you,
so ev'ry word i'll ever speak, you'll never like the truth!
now ev'rything i ever want, is not to lie to you,
but its the way you make me feel, that makes me lie to you!

you're all that i care to exist for (and) only through you i could ever get this far but although that i tri
don't you know that i..."
lie...
in your face...
'cause you drive...
me insane!

with ev'rything you ever did, you made me lie to you,
so ev'ry word i'll ever speak, you'll never like the truth!
now ev'rything i ever want, is not to lie to you,
but its the way you make me feel, that makes me lie to you!
