

# Thunder, Dirty Dream

Last night I got a big surprise  
As I was studying the back of my eyes  
You were right there in my head  
Pole-dancing at the end of my bed  
I don't know what to do  
I had a dirty dream about you

I couldn't see what the fuss was about when  
My best friend started checking you out  
But now I've seen you in a different light  
I'm playing with dynamite  
Now all I wanna do is share my dirty dream with you

Imagination I'd never underrate  
But now the seed is sown  
It's a little bit late

It's so right now but it's so wrong  
Deep, dark desire is coming on strong  
I feel the rhythm and I wanna play along

I didn't ask to be put in this place  
How am I ever gonna look you in the face  
When all I want is to see you there  
In your high heels and underwear  
Cos all I wanna do is make my dirty dream come true

I bet you're wondering why the sudden change  
If you'd seen what I've seen you wouldn't think it's strange

It's so wrong now but it's so right  
Some kind of voodoo in the middle of the night  
I don't wanna do it but I'm thinking that I might

Dance like you did last night  
You know I won't put up a fight  
Do it like you did before  
I'll turn the music up a little more

Don't you fade away  
Stay with me 'til day

Imagination I'd never underrate  
But now the seed is sown  
It's a little bit late

It's so right now but it's so wrong  
Deep, dark desire is coming on strong  
I feel the rhythm and I wanna play along

It's so wrong now but it's so right  
Some kind of voodoo in the middle of the night  
I don't wanna do it but I'm thinking that I might

Do it like you did before  
I'll turn the music up a little more
