

# Thunder, Don't Wait For Me

Now I look out my window  
To the street so far below  
And I pray I'll see you approaching  
Don't know why you had to go  
It's been so long but I feel no better  
I've gotta say I'm still so alone  
Will I ever get used to this feeling  
And the nights so long and cold

When all I want to do is hold you  
But all I see to do is cry  
And all you had to say the day you walked away  
Was Don't wait for me, goodbye

All my friends they smile when they see me  
I guess they know what I'm going through  
They don't mention your name to protect me  
Now what am I supposed to do?

When all I want to do is hold you  
But all I see to do is cry  
And the last thing that you said  
and it's ringing round my head  
Was Don't wait for me, goodbye

How can I replace you?  
How am I gonna get through every night?  
All the time I wasted  
All the pain I tasted for you  
I'm losing my mind.....

(Solo)

All I want to do is hold you  
But all I see to do is cry  
And all you had to say the day you walked away  
Was Don't wait for me, goodbye
