Thunder, I Hear You Knocking

You went away and left long time ago Now your knocking on my door I hear you knocking But you can't come in I hear you knocking Go back where you been

I begged you not to go but you said goodbye Now your telling me all your lies I hear you knocking But you can't come in I hear you knocking Go back where you been

You better get back to your used to be 'Cause your kind of love ain't good for me I hear you knocking But you can't come in I hear you knocking Go back where you been

I told you way back in '52 That I would never go with you I hear you knocking But you can't come in I hear you knocking Go back where you been
