

# Thunder, I'll Be Waiting

Should you ever change your mind  
About leaving everything we have behind  
It don't matter, for whatever length of time  
I'll be waiting

Things are always gonna change  
Every day is like another unread page  
So if you ever feel the gypsy in you age  
I'll be waiting

Cos I'm sure one day, you're gonna find  
Taht there's an answer to the questions in you mind  
And when you realise that the answer's there inside  
I'll be waiting, I'll be waiting forever

Should you ever change your mind  
About leaving everything we have behind  
It don't matter, any place or any time  
I'll be waiting  
Mmm I'll Be waiting  
I'll be waiting  
I'll be waiting
