

Thunder, It Could Be Tonight

Na-na-na-na-na-na-na-na
Na-na-na-na-na-na-na

Looking daggers at the sun
Counting each moment, that drags on and on
Praying for the night to come
Waiting just to see, if it's gonna be

It could be tonight
It could be tonight
If the stars all align, at the right place in time
Then it could be tonight

Laying my feelings open wide
It's never been easy, they've always been denied
But there's something in your eyes
And it's reaching out to me, I can't wait to see, yeah

It could be tonight
It could be tonight
I've been waiting so long, and if I don't get it wrong
Then it could be tonight
Mmm, oh

I guess you wouldn't need to read my mind
to know the way I feel inside
Baby, I know it's your decision
So make it right
Oh, make it right

It could be tonight
It could be tonight
If the stars all align, at the right place in time
It could be tonight, oh yeah
I've been waiting so long, and if I don't get it wrong
Then it could be tonight, mmm
Baby in the morning

Na-na-na-na-na-na-na-na
Na-na-na-na-na-na-na-na-na
Then it could be tonight
The stars all align
Oh it could be tonight, oh baby
Oh it could be tonight baby
Baby in the morning
