

Thunder, Pilot Of My Dreams

Exotic melody, that I heard drifting on the breeze
It seemed to carry me along
and there she was just dancing on the beach
And she could really move
(Get down, get down, get down)
you know the way she made me feel
(Get down, get down, get down)

I was taken away on the wings of love
She was hitting me harder than a powerful drug
I was a passenger in first class, on a flight of fantasy
She was the pilot of my dreams

Na-na-na-na-na-na-na,
Na-na-na-na-na-na-na

I thought I heard a symphony and I saw the sun turn fire red
I swear that I saw time stand still
But it was only in my head
Ooh, well, I was inside out now
(Get down, get down, get down)
you know the way she made me feel
(Get down, get down, get down) - yeah

And my head it was spinning like a spinning top
She was dragging me under, but I couldn't stop
I didn't know where I was going, but it felt so right to me
She was the pilot of my dreams

(Get down, get down, get down)
you know the way she made me feel
(Get down, get down, get down)
you know she made me feel so good
(Get down, get down, get down)
so good, I've got to know her name

I was taken away on the wings of love
She was hitting me harder than a powerful drug
I was a passenger in first class, on a flight of fantasy

(Taken away on the wings of love) - she was the pilot of my dreams
(Hitting me harder than a powerful drug) - yeah
Didn't know where I was going, but it felt so right to me
She was the pilot of my dreams

Na-na-na-na-na-na-na
Na-na-na-na-na-na-na
that woman's gonna carry me away
Na-na-na-na-na-na-na,
yeah
Na-na-na-na-na-na-na
na-na-na-na-na-na-na-na-na-na
Na-na-na-na-na-na-na,
yeah, yeah
Na-na-na-na-na-na-na
Na-na-na-na-na-na-na,
mmm baby
Na-na-na-na-na-na-na
Move it baby, move it mama
