

Thunder, The Devil Made Me Do It

I was a young kid of thirteen, never been kissed
A Mass of homones with legs on
I didn't know what to do, I did not have a clie
I was tissues and tension

All the girls my won age
They never really did it for me
I needed someone mor sophisticated
And I found her in a magazine

Bless me father for I have sinned and I'm a low life
Will I still be able to see?

I'd nothing to do with it
The Devil made me do it
Don't put the blame on me
It's a traversty

I met a guy who was rich and a bit f a fool
And his girlfriend was beautiful
I never worked out the reasonn I liked him so much
Till I saw her lying by his pool

When she caught me staring
She smiledin that wicked way
To my surprise there was a knock at my door
And there she was the next day

I'm riding on a Rocket, I'm powerless to stop it
I tried to push her away

But I guess she knew it
The Devil'd make me do it
Tell me what do you say?
Wnen it's gonna happen anyway

The Devil made me do it, the Devil made me do it
He really made me do it, yes the Devil made me do it

I'm riding on a Rocket, I'm powerless to stop it
I tried to push her away

But I guess she knew it
The Devil'd make me do it
Tell me what do you say?
Wnen it's gonna happen anyway
