

Thunder, The Pimp And The Whore

If you wanna be special just listen to me
I'll take you to the level where you wanna be

'Cause I got my ducks in a row
And you're young and you're pretty
And stupid as far as I know

I'll make the decisions, you'll dance to my tune
While I count the money you preen and they swoon
With your naked ambition I'll open the door
We need each other like a pimp and a whore, yeah

You've got one destination...celebrity
You'll be the toast of the nation, you'll live on TV, you will see
Can I make it clear from the start?
You don't need an opinion as long as you look like the part

Come out of the closet, we'll hit no. 1
You'll be there for Christmas, by Spring you'll be gone
You'd better believe it, it's certain and sure
We need each other like a pimp and a whore

A man of vision, a man of style, well, that's what they're calling me
So hitch up your wagons and enjoy the ride
You can be who you wanna be
If you trust in me

You're so young and you're pretty
And stupid as far as I know

I'll make the decisions, you'll dance to my tune
While I count the money you preen and they swoon
With your naked ambition I'll open the door
We need each other like a pimp and a whore

Come out of the closet, we'll hit no. 1
You'll be there for Christmas, by Spring you'll be gone
You'd better believe it, it's certain and sure
We need each other like a pimp and a whore
Yeah, we need each other like a pimp and a whore
Yeah, we're gonna make lots of money
Yeah, we're gonna make lots of money
We're gonna make lots of money
We're gonna make lots of money
We're gonna make lots of money
