

# Thunder, This Forgotten Town

Father's gone crazy, he stares out the window all day  
Watching the same streets where once as a kid he would play  
There's no hope in his eyes anymore  
He's forgotten what he was hoping for  
And the postman walks straight past the door  
There's no news today

Someone save me from this forgotten town  
Or I'll go crazy in this forgotten town  
'Cos when they lay me down, it won't be here

Mother's been drinking, she smokes nearly three packs a day  
Once she was so pretty, but time's taken it all away  
Every promise she heard was a lie  
about the future, how it would be right  
And I won't understand all my life  
how she gets thru the day

'Cos there's no way out of this forgotten town  
So you live your life out in this forgotten town  
The only way is down, when dreams don't come true  
No not for you, no no

There's no hope in his eyes anymore  
He's forgotten what he was hoping for  
And the postman walks straight past the door  
There's no news today

Someone save me from this forgotten town  
Or I'll go crazy in this forgotten town  
There's no way out of this forgotten town  
So you live your life out in this forgotten town  
Until you're in the ground it's all you can do  
It's all you can do now  
No no no
