

Thus Defiled, Dominus Luciferi

Chained 1000 years, cast down by angels
Mighty serpent of Earth, pour scorn down my soul
Raise your majestic head, speared by horns of black
Dominus Luciferi, Dominus Satanas
Eternal night of release, I turn my soul to thee
I give my life to thee, I bleed your life
No thorns crown you, 1000 years you will reign
Dominus Luciferi, Dominus Satanas
