

# Thus Defiled, Dreaming Beyond Dawnless Realm

Down, through the depths of my soul  
I awake, I walk  
Beyond, through the shadows  
Fire burns yet I feel no pain  
I am one with this realm forever  
I enter the flames  
I am of fire  
I embrace the dragon  
We are one  
Forever  
Domain of Gehenna  
The moon burns black  
I touch the darkness within  
I awake but still dream
