

# Thy Infernal, Behold The New Age Of Lord Satan

Mighty lord of the blackest hate  
The night has finally come  
To spill the blood of holy men  
To wage unholy war  
To crucify the flock of Christ  
To blaspheme every soul  
To desecrate the throne of god  
And rule the Earth once more  
Lord Satan  
The new order shall be fulfilled  
To slaughter every righteous son  
Destroy the reign of Christ  
Onward to the massacre  
Of feeble fucking pigs  
No man of light shall live to see  
The Cleansing of our world  
Behold the new age  
Darkest, hating, evil lord Satan  
Jehovah lays butchered  
Heaven is burning
