

# Tiamat, Via Dolorosa

Drag me down and chain me

This is not what it seems  
This ain't no cozy little dream  
This ain't no mysterious way, no no  
This is just another Sunday

I die alone  
On Via Dolorosa  
I carry my burden alone  
On Via Dolorosa  
I'm dragged down by the stone  
On Via Dolorosa  
I carry my burden alone  
Via Dolorosa

This ain't no universal mastermind  
This ain't no projection of one of a kind  
This ain't no religious highway  
No, this is just another Sunday

I die alone  
On Via Dolorosa  
I carry my burden alone  
On Via Dolorosa

I die alone  
On Via Dolorosa  
I carry my burden alone  
On Via Dolorosa  
I'm dragged down by the stone  
On Via Dolorosa  
I carry my burden alone  
Via Dolorosa

So drag me down and chain me  
Drag me down and chain me  
Drag me down and chain me  
Drag me down and chain me
