

Tiesto, Let's Go (ft. Icona Pop)

Let's go /4x

I wanna scream at the top of my lungs
I wanna do what has never been done
I wanna light the spark
The beats in a million hearts
I wanna dance with my boys and my girls
Dance like we're gonna take over the world
All in the name of love
I wanna get me some

One night it's all it takes
We've become wrong to make it right
One night to save the day
We'll show them all
Let's go, go, go
Let's go, go, go
Let's go, go, go
We'll show them all
Let's go
We'll show them all
Let's go, go, go

Mothers and fathers along for the ride
Together we're walking the line with the pride
We're talking to everyone
Come as you are, just come
I wanna dance with my boys and my girls,
Dance like we're gonna take over the world
All in the name of love
I wanna get me some

One night is all it takes
We've become wrong to make it right
One night to save the day
We'll show them all
Let's go, go, go
Let's go, go, go
Let's go, go, go
We'll show them all
Let's go
We'll show them all
Let's go, go, go
We'll show them all
Let's go, go, go
We'll show them all
Let's go!
