

Tiffany Alvord, So Far Away

Oh we use to talk
About everything
That we've done
And no matter what we would do
If I was with you
I would have fun
But now your so far away
And I miss you everyday
Cause your so far away
And I wanted you to stay
Not be so far away, away
Oh you tell me your leaving
And that you don't want to go
But that you have to go
You helped me and made me
Who I am
And without you I'm broken
So why do you have to be so far away
Cause I miss you everyday
Cause your so far away
And I wanted you to stay
Not be so far away, away
And why do we have to say goodbye
To all the good times we had
It won't ever be the same
Now that your gone
Now that your gone
Cause your, your so far away
And I miss you everyday
Cause your so far away
And I wanted you to stay
Not be so far away, away
Away....

Here are the basic chords for the song. They are played on the left hand:

AC#E, CGB, CEG, GBD

This is played for the intro twice and then for the verse.

It then goes into the chorus which uses the chords:

A#DF, FAC, CDG, DFA, CDG

A#DF, FAC, CDG, A#DF, GBD

The second verse and chorus are the same as the first. It then goes into the bridge which uses the

CEG, ACE, FAC, GBD(play this chord higher)

CEG, ACE, FAC, GBD(play this chord lower)

Then you play the chorus after the bridge.

The ending after the last chorus is:

CEG, FAC(higher), CEG, FAC(lower)

I don't know if this will make sense or not, but I thought I would try to give the ba
