

# Tiger Trap, Prettiest Boy

out of my window  
i see such a sight  
i am watching someone who might see me  
he might look at me with those eyes  
and then look in once more  
beauty like nothing that i've seen before

he looks like a girl but i know he's a boy  
pretty long eyelashes

I have a pineapple crush on a boy i don't know  
where he came from or how he got skin just like snow  
he's the angel i asked for in my prayers last night  
he's the only one who can make my wrong life right  
'cause i know he was sent here just for me

beautiful vision is stuck in my heart  
i wish i could tell him but don't know where to start  
i will remember that face in my mind  
not like another that i will ever find

watching him drink from his bottle  
i'll keep that bottle forever

pineapple crush and a boy i don't know  
where he came from or how come his angel eyes glow  
he's the vision that i saw in my dream last night  
he's the only one who can make my wrong life right  
i know that he sat there just for me  
i know that he sat there just to be with me
