

Tiggy, Why

Na na na na, Na na na
Na na na na, Na na na
Na na na na, Na na na
Standing beside you
wishing you always be close to me
And how can I tell you
Everynight I see you in my dreams
Believe me, don't be me
I would never let you go
Why, why do this have to be a fantasy
Let's make our love become reality
Oh, how I pray for that day to come
When will be join together calls as one
together calls as one
I feel the passion
Burning deep inside my soul
And don't have solution
I know you catch me if I fall
Believe me, don't be me
I would never let you go (Why...)
Why, why do this have to be a fantasy
Let's make our love become reality
Oh, how I pray for that day to come
When will be join together calls as one
(Na na na na, Na na na)
Together as one
(Na na na na, Na na na)
Together as one
(Na na na na, Na na na)
Together as one
(Na na na na, Na na na)
Together as one
Whoo..... Yee...h..
Whoo..... Ye...h..
Don't be me, don't be me
I would never let you go
Why, why do this have to be a fantasy
Let's make our love become reality
Oh, how I pray for that day to come
When will be join together calls as one
(Na na na na, Na na na)
Together as one
(Na na na na, Na na na)
Together as one
(Na na na na, Na na na)
Together as one
(Na na na na, Na na na)
Together as one
