

# 'Til Tuesday, I Could Get Used To This

So far-  
or should I take it just a little farther  
So good-  
and if I think about it, it gets better  
I could get used to this  
I could get used to this  
I could get used to  
feeling the way that I do

So long-  
or should I stay just a little longer  
So much  
for keeping it a secret  
I could get used to this  
I could get used to this  
I could get used to  
feeling the way that I do

Oh, all the times I told myself  
I could never fall in love  
Love is just too difficult  
Oh, too bad  
I'm only talking to myself about it  
So sad-

I guess I'm going to have to live without  
I could get used to this  
I could get used to this  
I could get used to  
feeling the way that I do  
I know, I know, I know how it goes  
Baby, will I get the chance?  
I could get used to  
feeling the way that I do.
