

Tilt, Crying Jag

Everyone knows I'm on a crying jag
Pay me no mind I do it all the time
I could show you
Do you want me to show you
Call it a day or you can pay my way
Gonna cry till I'm all cried out
I could show you
I could easily show you

(chorus)

You may say I live on easy street
You can think anything you want to think
Come by some time my door is open to you
Where I can show you how easy I am

Everyone knows I'd sell my sister for cigarettes
Why shouldn't I She'd do the same to me
We could show you
We could easily show you
If you only knew you wouldn't be so upset
What if she's in league with me
We can show you
We can easily show you

Everyone knows I'm on a crying jag
Pay me no mind I do it all the time
I could show you
Do you want me to show you
Call it a day or you can pay my way
Gonna cry till I'm all cried out
I could show you
Do you want me to show you
