

Tilt, Small Bills

My associates called
They want small bills
Roll me over and suck on my no good excuse

(chorus)
I'll teach you my judicial system
Like you've never never been taught
You have the right to remain there
While I tell you exactley what you are

Did I catch you at a bad time
You should know my voice by now
I've got further instructions
I don't know what you'll do without

I've got a job to do here
And I need a clear head
You don't want to get me mad dear
No use in calling in the feds
