

# Tim Christensen, Lay Down Your Arms

Lay down your arms  
And surrender to me  
You've got all the answers  
But it won't set you free  
Hold on to someone  
And nothing will turn you on

Your dreams are on death row  
How long will they last  
If you dream of the future  
But long for the past  
Hold on to no one  
And something might turn you on

It's coming your way  
Dancing so elegantly  
And as sweet as can be  
But this is another story  
If you lost your glory  
And you won't take chances  
Cause you know the answer's wrong  
But it's you that I want

You kill me with kindness  
On your easy way out  
How can you be certain  
Your never in doubt  
Hold on to no one  
And something might come your way

It's coming your way  
Dancing so elegantly  
And as sweet as can be  
But this is another story  
If you lost your glory  
And you won't take chances  
Cause you know the answer's wrong  
But it's you that I want (x3)

Yeah that is another story  
If you lost your glory  
And you won't take chances  
Cause you know the answer's wrong  
But it's you that I want

It's you that I want  
You that I want
