

Tim Christensen, Prime Time

Rise and shine
You lazy diamond
Now's the time
The time to move on
And re-define
The sound from the silence
I'll shine the light alone

Here I am
Out of the filter
Time to stand
With nobodies shelter
Yeah I will fine
The sound in the silence
I'll shine a light alone

Blame it on my prime time
Blame it on the star shining on me
But I hope you will believe me
When I say
That I am on my way (repeat)

I can't tell
Where this one is leading
But all is well
If I keep believing
When faces smile
Then I'm on the safe side
I'll shine the light alone

Blame it on my prime time
Blame it on the star shining on me
But I hope you will believe me
When I say
That I am on my way (repeat)

Hope you will believe me
When I say
That I am on my way
On my way
