

Tim Christensen, Stranger

It feels a little strange
To look for a change in the darkness
It feels a little hard
To look for a start in the wilderness

I'm a stranger
And nobody knows me at all
So I call out your name

It takes a little while
To come up with a smile in my sadness
Come on inside
And see what I hide in my loneliness

I'm a stranger
And nobody knows me at all
So I call out your name

Don't be surprised
If I wear the disguise of a stranger
I'm hiding inside
Where you cannot find me at all
Like a star shining true
We fell with a love overdue
And it's left you lonely too

That's why it feels a little strange
To look for a change in the darkness
Come on inside
And see what I hide
In my loneliness

I'm a stranger
And nobody knows me at all
So I call out your name

Don't be surprised
If I wear the disguise of a stranger
I'm hiding inside
Where you cannot find me at all
Like a star shining true
We fell with our love overdue
And it's left you lonely too
