

# Tim Curry, Summer In The City

Hot town, summer in the city  
Back of my neck gettin' dirty-'n'-gritty  
Bend down, isn't it a pity  
Doesn't seem to be a shadow in the city  
All around people lookin' half dead  
Walking on the sidewalk, hotter than a match-head

But at night it's a different world  
Go out and find a girl  
Come on, come on and dance all night  
Despite the heat, it'll be all right  
And babe, don't you know it's a pity  
The days can't be like the nights  
In the summer in the city  
In the summer in the city

Cool town, evening in the city  
Dressed so fine and looking so pretty  
Cool cat, looking for a kitty  
Gonna look in every corner of the city  
'Til I'm wheezing like a bus stop  
Runnin' upstairs, gonna meet you on the roof top

But at night it's a different world  
Go out and find a girl  
Come on, come on and dance all night  
Despite the heat, it'll be all right  
And babe, don't you know it's a pity  
The days can't be like the nights  
In the summer in the city  
In the summer in the city
