

Tim Feleppa, Flying Saucer Home

red carbon jumpsuit
eisenhower air station
bring the saucers in
ammonia storm!
ice feathers ampules of nitrogen go pop pop pop!
nebula pigments
toggle switches
if i bring the saucers into station tonight
(repeat all)
all i know is the dashboard's easy
i've flown this saucer a hundred times
and if we crash you will feel very sleepy
get out of your jumpsuit and go outside!
if i bring the saucers into station tonight.
