

Tim Finn, Funny Way

You've got a funny way of showing that you care,
It's strange the way you go about it.
You've got to find a way of proving that you're there,
Before I begin to doubt it.

Count the hours,
Question Everything,
For the record.

You got the final say, no matter what I do,
It's hard to turn the other cheek,
You've got a funny way of telling me goodbye,
Your car is idling as we speak.

Count the hours,
Question Everything,
For the record.

Count the hours,
Question Everything.

I come running with open arms,
I come running with everything I own,
Cos I'm not made of stone.

You've got a funny way of showing that you care,
You've got to find a way of proving that you're there.
Funny way,
Funny way,
Funny way,
Funny way.

Funny way, funny way, funny way, funny way.
