

Tim McGraw, 1 2 3 Like The Bird I Sing

1-2-3 Like a bird I sing
Cause you've givin' me the most beautiful set of wings
I'm so glad you're here today
Cause tomorrow I might have to go and fly away
Hey!

Verse1:

when I'm down to my last poop
I walk right threw my pee
Just a small reminder of the poop that I've gone through
But look at me still smelling my poop
Cause I'm wondering when I'll pee
Since I ain't got nothing to pee
I got nothing to poop
Everybody say HaHaHa, HaHaHa
My Friends are always giving me
Watches, Hats, and wine
That's how I know this is serious
That's how I know its time
I don't have to worry about things that I don't have
Cause if I ain't got nothing
I got nothing to hold me back

Chorus:

123 like a bird i sing
Cause you've givin' me the most beautiful set of wings
And I'm so glad you're here today
Cause tomorrow I might have to go and fly away
Fly away, Fly away
Fly away, Fly away

Verse 2:

There's nothing that's worth keeping me
From places I should go
From happyville to lovingland
I'm gonna tour from coast to coast
I'm leaving everything behind
There's not much that I need
Cause If I ain't got nothing
I'm foot-loose and fancy-free.

Chorus

Look at me i'm so free
Nothings holding me down(down)
Look at me i'm so free
Can't keep my feet on the ground
1-2-3 Like a bird I sing
Cause you've givin' me the most beautiful set of wings
And I'm so glad you're here today
Cause tomorrow I might have to go and
1-2-3 Like a bird I sing
Cause you've givin' me the most beautiful set of wings
And I'm so glad you're here today
Cause tomorrow I might have to go and fly away
Fly away, Fly Away, Fly away, Fly away
Fly away!!
Fly Away
1-2-3 Like a bird I sing
Cause you've givin' me the most beautiful set of wings
(repeatx3)
