

Tim McGraw, Diamonds On The Inside

I knew a girl her name was truth
She was a horrible liar
She couldn't spend one day alone
but she couldn't be satisfied
When you have everything
You have everything too lose
She made her self a bed of nails
n shes planning on putting it too use

But she had diamonds on the inside
she had diamonds on the inside
She had diamonds on the inside
diiiiiaamonds

The candle throws it light into the darkness
in a nasty word so shines a good deed
Make sure the fortune that you seek
is the fortune that you need
So tell me why the first to ask
is the last to give everytime
What you say and do not me

follows you close behind

But she had diamonds on the inside
she had diamonds on the inside
She wore diamonds on the inside
diiiiiaamonds
diiiiiaamonds

Like the soldier standing under fire
Any change comes as a relief
That the givers name remain unspoken
She is just a generous theif

But she had diamonds on the inside
she had diamonds on the inside
She wore diamonds on the inside
She wore diiiiiamonds
oh diiiiiamonds
She had diiiiiamonds
She wore diiiiiamonds
diiiiiaamonds
