## Tim McGraw, Memory Lane

People ask me What you doin' son You're gonna drive yourself insane You'll never find the sunshine When you're followin' the rain Seems like I'd take a new road After all these years But I wind up on the same old trail of tears

I'm still walkin' down Memory Lane 'Cuz I know I'll be runnin' into you Reminiscin' through the pain Recallin' things that we used to do I'm lookin' up an old flame Down on Heartbreak Avenue I'm still walkin' down Memory Lane 'Cuz I know I'll be runnin'into you

I hate the way I loved you But my mind keeps goin' back My train of thought just won't get off That same old worn out track It's an every night occasion me and your memory meet On that endless lonely street of broken dreams

I'm still walkin' down Memory Lane 'Cuz I know I'll be runnin' into you Reminiscin' through the pain Recallin' things that we used to do I'm lookin' up an old flame Down on Heartbreak Avenue I'm still walkin' down Memory Lane 'Cuz I know I'll be runnin'/Into you

I'm still walkin' down Memory Lane Cuz I know I'll be runnin' into you Reminiscin' through the pain Recallin' things that we used to do I'm lookin' up an old flame Down on Heartbreak Avenue I'm still walkin' down Memory Lane 'Cuz I know I'll be runnin'/Into you

Here she comes now I'm still walkin'
Down Memory Lane I'm still walkin'
Down Memory Lane I'm still walkin'
Down Memory Lane Lord, I'm walkin'
Down Memory Lane Oh, I'm walkin'
Down Memory Lane I'm still walkin'
Down Memory Lane
