

Tim McGraw, My Next Thirty Years

All our tears have reached the sea.
Part of you will live in me
Way down deep inside my heart
The days keep coming without fail.
New wind is gonna find your sail
That's where your journey starts.

(Chorus)

You'll find better love
Strong as it ever was
Deep as the river runs
Warm as the morning sun
But please remember me.
Like the waves down by the shore
We're gonna keep on coming back for more.
Cause we don't ever wanna stop.
Out in this brave new world you'll see
Over the valleys and the peaks.
And I can see you on the top.

(Chorus)

Remember me when you're out walking.
When snow falls high outside your door.
Late at night when you're not sleeping,
And moonlight falls across your floor...
And I can't hurt you anymore.

(Chorus)

Please remember me.
