

Tim McGraw, My Next Thrity Years

I think Ill take a moment, celebrate my age
The ending of an era and the turning of a page
Now its time to focus in on where I go from here
Lord have mercy on my next thirty years

Hey my next thirty years Im gonna have some fun
Try to forget about all the crazy things Ive done
Maybe now Ive conquered all my adolescent fears
And Ill do it better in my next thirty years

My next thirty years Im gonna settle all the scores
Cry a little less, laugh a little more
Find a world of happiness without the hate and fear
Figure out just what Im doing here
In my next thirty years

Oh my next thirty years, Im gonna watch my weight
Eat a few more salads and not stay up so late
Drink a little lemonade and not so many beers
Maybe Ill remember my next thirty years

My next thirty years will be the best years of my life
Raise a little family and hang out with my wife
Spend precious moments with the ones that I hold dear
Make up for lost time here, in my next thirty years
In my next thirty years
