## Tim McGraw, Smiling

The cover of a magazine, nothing but a paper dream Just another fantasy for sale Telling me what I need, what I should do, who I should be That stuff don't matter to me at all

The sky is blue and the sun is shining I feel like a bum with a pocket full of diamonds I'm free as a bird and my spirit's flying That's enough to keep me smiling

Guru man on my TV set, selling the secrets to happiness 1-800-Change-Your-Life-Today Dreams, I've got my own; I ain't looking for a yellow-brick-road I'm just gonna go my own way

The sky is blue and the sun is shining I feel like a bum with a pocket full of diamonds I'm free as a bird and my spirit's flying That's enough to keep me smiling

Smiling (smiling), smiling (smiling)

The sky is blue and the sun is shining I feel like a bum with a pocket full of diamonds I'm free as a bird and my spirit's flying That's enough to keep me smiling

I'm still smiling, gotta keep on smiling I'm still smiling
