

Timbaland feat. Katy Perry, If We Ever Meet Again

What is somebody like you doin' in a place like this?
Say did you come alone or did you bring all your friends?
Say whats your name? What you drinking?
I think I know what are you thinking
Baby whats your sign,
tell me yours and ill tell you mine
Say what is someone like you doin' in a place like this?

I'll never be the same
If we ever meet again
Won't let you get away
If we ever meet again
This freefall's got me me so
kiss me all night,
don't ever let me go
Ill never be the same
if we ever meet again

Do you come here much?
I swear I've seen your face before
You don't see me blush
but I cant help to want you more more
Baby tel me whats youre story?
I ain't shy, don't you worry
I'm flirting with my eyes
I wanna leave with you tonight
do you come here much?
I've gotta see your face some more
some more Cause baby I

I'll never be the same
If we ever meet again
Won't let you get away
If we ever meet again
This free fall's got me me so
kiss me all night,
don't ever let me go
Ill never be the same
if we ever meet again

If we ever meet again,
I'll have so much more to say
Say if we ever meet again
If we ever meet again, again
I wont let you go away
Say if we ever meet again
If we ever, ever meet again
I'll have so much more to say
Say if we ever meet again
If we ever, ever meet again
I wont let you go away!

I'll never be the same
If we ever meet again
Won't let you get away
If we ever meet again
This free fall's got me me so
kiss me all night,
don't ever let me go
Ill never be the same
if we ever meet again
I'll never be the same
If we ever meet again
Won't let you get away

If we ever meet again
This free fall's got me me so
kiss me all night,
don't ever let me go
Ill never be the same
if we ever meet again
