

# Timbaland, Hello

""Timbaland""

Lord,  
Ain't nobody think we comin' like dis  
They know what I'm talkin' 'bout homeboy...

""Timbaland & Keri Hilson""

We on another level  
Who you down with?  
I'm down with several  
People that you can't clown with, go to town with and get down with  
Hello  
We on another level  
Who you down with?  
I'm down with several  
People that you can't clown with, go to town with and get down with  
Hello

""Timbaland""

Baby let me come and scoop you in the Benz  
We can chill and lay back while I drop my top baby if you want you can bring a friend  
I get it poppin' off  
Be glad you got involved  
Girl if you play your position then all your problems solved  
They show me love in every hood and every city I go  
They say "Timbo you the best" and I say baby "I know";  
Two-tone Maybach when I slide up in it when I go my ride is tinted  
Gotta pull the shades back and tell her "Hello";  
She wanna chill wit a nigga  
We can smoke we can drink just keep it real wit a nigga  
I got a plan shawty go getcha man shawty  
Let me put it simple so you can understand shawty cause

""Timbaland & Keri Hilson""

Hello

""Keri Hilson""

Smooth with the flow get you where you goin'  
You already know and if you don't then I'ma show  
Look how I does that they lookin' at you they lookin' at me they be like "what's that?";  
Tryin' to get they buzz back  
I got places to go and a whole lotta things to see (I guarantee)  
And I'ma be right here until ya'll done got enough of me  
Steady on my grind tryin' to get it  
Money on my mind, is you with it?  
Tryin' to hold me down cause of that ego now they ain't around, but look at me

We on another level  
Who you down with?

I'm down with several  
People that you can't clown with, go to town with and get down with  
Hello

""Attitude""

hoe.. mack on my nuts  
keep pumpin their chin  
turn their back for a second  
i be fuckin' their friend  
give it to 'em real good they be lovin' me then  
askin a nigga could I have it again?  
put a sip of billow over the win(dow) and bust in  
like one of their men

then the ride and the roller 'yo  
and every nigga in my click gonn' dig em  
down nigga..  
jigga ask every ho i know

I met a bitch up at Amoco  
you could tell she was thicker than the average hoe  
yeh...  
you could see that ass from the front  
and them tities from the back  
so I had to get at that hoe

Real talk

Cant throw.. stacked up safe in the vault  
pimp bitches at my face cuz i know how they talk  
aint savin these hoes  
aint shit gettin bought  
real ass nigga all over their thong

BIO - big Tim throws down  
bitch cant swim  
bitch gon' drown

bitch cant fly  
i cant neither  
thats why niggaz get high off reefer

new millenium nigga in a old school Regal  
used to have hood rats  
now i got people  
ALABAMA

you know i gotta send a shout out to my people
