

# Timbaland, Oh Timbaland

Bounce  
Bounce  
Bounce

I ain't got no fillin'  
I'm a let these niggas know  
I been killin' 'em with these beats  
Now I'm spittin' them killer flows  
Whatcha know about me dog  
Not damn thing  
Gotta problem? You can see me in the streets dog  
I'm a one man game  
Don't take this lightly  
If I want you dead and gone  
I can make that happen because  
Nigga, my bread is long  
I done been on both sides of the tracks  
You can say I trained the game  
Alot of niggas tryin' to get in my lane  
Everybody askin me the same ol' thing  
What they say

Oh, Timbaland  
Where he gon' run to  
Nowhere  
Oh, Timbaland  
Where he gon' run to  
Nowhere  
Oh, Timbaland  
Where he gon' run to  
Nowhere  
Oh, Timbaland  
Where he gon' run to  
Nowhere

Oh, Timbaland  
Where he gon' run to  
Nowhere  
Oh, Timbaland  
Where he gon' run to  
Nowhere  
Oh, Timbaland  
Where he gon' run to  
Nowhere  
Oh, Timbaland  
Where he gon' run to  
Nowhere

I ain't goin' nowhere dog  
I'm a be right here in your face  
Can't do it like me, dog  
Your kick drum ain't got enough bass  
Don't ever talk bad about me  
You just might make me mad  
And I just might see you somewhere  
And break your ass 'N' half

This not the Timbaland you used to  
Now I'm in a whole 'nother zone  
You can let me do me  
You can do you  
Or get popped in ya door  
Love on the verge to the block  
So recognize the game

Timbaland ain't gonna run nowhere, baby  
Timbaland got private planes

Oh, Timbaland  
Where he gon' run to  
Nowhere  
Oh, Timbaland  
Where he gon' run to  
Nowhere  
Oh, Timbaland  
Where he gon' run to  
Nowhere  
Oh, Timbaland  
Where he gon' run to  
Nowhere

Oh, Timbaland  
Where he gon' run to  
Nowhere  
Oh, Timbaland  
Where he gon' run to  
Nowhere  
Oh, Timbaland  
Where he gon' run to  
Nowhere  
Oh, Timbaland  
Where he gon' run to  
Nowhere

I been around  
Sometime long ago  
I seen the life  
Don't act like you ain't seen it before

I'm listenin', dog  
You aint sayin shit  
You can keep on wishin'  
You never make a hit  
Yeah, I got money  
Take it all from me  
I'm a gon be the same  
You can get a few whips  
You can get a few chips  
You still gon' be a lame  
We ain't the same, my nigga  
I'm on some other shit  
I'm a say this plain and simple  
Nigga, take this punishment  
I'm a take y'all on a trip  
I'm a take y'all on a ride  
And one day I'm gon' dick  
But I won't be hard to find

Oh, Timbaland  
Where he gon' run to  
Nowhere  
Oh, Timbaland  
Where he gon' run to  
Nowhere  
Oh, Timbaland  
Where he gon' run to  
Nowhere  
Oh, Timbaland  
Where he gon' run to

Oh, Timbaland  
Where he gon' run to  
Nowhere  
Oh, Timbaland  
Where he gon' run to  
Nowhere  
Oh, Timbaland  
Where he gon' run to  
Nowhere  
Oh, Timbaland  
Where he gon' run to?
