

# Timbaland, One And Only

""Timbaland""

I'm head over heels for someone I  
That I really can't deal with  
I want to block her out my mind  
But I really can't do it  
I tell myself this the last time  
I'mma let her do this to me  
Whenever we do spend time  
I realize that I can't get enough of you

""Patrick Stump & (Timbaland)""

Wipe that smile off your fucking face  
(Then I say to you) Wipe that smile off your face  
(Then I say to you) Wipe that smile off your fucking face  
(Then I say to you) Wipe that smile off your face

""Patrick Stump""

To be despised, to be loved  
To be dreamt of, to be sought  
From the inside, I don't care  
Right in the middle  
I'm right in the middle

To be despised, to be loved  
To be dreamt of, to be sought  
From the inside, I don't care  
Be my unholy  
My one and my only

""Patrick Stump""

I wear scarves and hoods  
'Cause they're the only poker face that I've got left  
And everything I love about you is a mess  
Smash the mirror and break the palm reader's hand  
I want to be better than I am

""Patrick Stump & (Timbaland)""

(Then I say to you) Wipe that smile off your fucking face  
(Then I say to you) Wipe that smile off your face  
(Then I say to you) Wipe that smile off your fucking face  
(Then I say to you) Wipe that smile off your face

""Patrick Stump""

To be despised, to be loved  
To be dreamt of, to be sought  
From the inside, I don't care  
Right in the middle  
I'm right in the middle

To be despised, to be loved  
To be dreamt of, to be sought  
From the inside, I don't care  
Be my unholy  
My one and my only

""Timbaland""

Girl, just look what you've done  
How could you do this to me  
I gotta put my foot down  
I can't let you do this to me  
I can't forget those good ol' times  
And all the things you've been doing to me  
I wanna hit that one more time  
I'm in love, what you're doing to me

I'mma say it loud, right here  
Let's fuck in this crowd  
Why we arguing  
I thought me and you were supposed to be  
Friends  
Let's chill for a minute  
Better yet, we need to heal for a minute  
Baby, put down the knife  
Sometime I wanna save your life  
But I'm cool

"Patrick Stump"  
To be despised, to be loved  
To be dreamt of, to be sought  
From the inside, I don't care  
Right in the middle  
I'm right in the middle

To be despised, to be loved  
To be dreamt of, to be sought  
From the inside, I don't care  
Be my unholy  
My one and my only

"We don't got no fuckin' band  
We ain't got no speakers, no fuckin' microphones set up  
Timberland, son of a bitch  
Just get the fuck outta my house now  
'Fore I get too mad and I can't turn back  
Hey  
Didn't I say get the fuck out  
Get the fuck out  
Hahaha"
