

# Timo Kotipelto, Beginning

A dry void within the universal waters  
And a mound soon to arise  
A heaven's dome, the earth  
On the first day came the first sunrise

The Sun god is in his boat  
Travelling through the night  
Fighting the evil serpent  
He will bring the light

Before creation there was chaos  
And then the maker rose from the sea  
He created more new deities  
And that's how life was set free

The earth and the sky formed the first couple  
And the descendants were born  
The forces of good and evil appeared  
Before the first dawn

The Sun god is in his boat  
Travelling through the night  
Fighting the evil serpent  
He will bring the light

Before creation there was chaos  
And then the maker rose from the sea  
He created more new deities  
And that's how life was set free
