

Timo Rautiainen & Trio Niskalaukaus, Rajaton Ra

niin jii matka taas puolitiehen
itsestn oli luullut liikoja
myrskyt tulevat lhemmksi
ajatus ei selkene

hartiat kyyryss keskell pihaa
ei jaksa kivikn potkia
mies katsoo taakseen tulosuuntaan
vain jljjet seuranneet

miksi eteln jii hyv vaimo
miksei kuulu lasten naurua
maita ja metsi riittisi
kun vain kyntisi

vaikka suku sammuu, ei sisu lopu
aina on tehty mit aiottu
vaikka katto on liian alhaalla
ja kysi liian paksu

</lyrics>

so the journey ended halfway again
he thought too much of himself
the storms are drawing nearer
thoughts won't clear up

with slumping shoulders in the middle of the yard
with no energy even for kicking on pebbles
he glances back where he came from
only his own footprints follow

why the good wife stayed in the south
why there's no laughter of the children
there are lands and forests as far as the eye can see
if only someone would make use

if the bloodline won't continue, at least the guts remain
we have always done what we have intended
even if the roofs too far down
and the rope far too thick
