## Timo Tolkki's Avalon, Neon Sirens

Sunday morning
Alone in the shadows
No more voices
No sign of life below
See the lights
Across the toxic sky
Am I looking death
Straight in the eyes

Neon sirens in the street Screaming through th darkness And they're coming for me Neon sirens in the street Devils in the darkness Lords of the prophecy Neon sirens

Monday morning Lost in the shadows Is this my last day Nowhere left to go In my eyes I feel the great light Am I finally At the end of the line
