Tina Arena, I Hope I Never

I fall apart

When your around

When you're here

I'm nowhere

I can't pretend

That I'm not down

I show it I know it

I've been a fool

More than once

More than twice

I'm gonna move

To a new town

Where the people

Are nice

I hope I never

I hope I never

Have to sigh again

I hope I never

I hope I never

Have to cry again

I still want

To beam

And smile yah

Happiness is back

In style

Yeah

I hope I never

I hope I never

Have to see you

Again

Again

Oh oh oh oh

It should be

Possible I know

To see you

Without stress

But I can see

I'll have to go

I'm changing

My address

My urge to cry

I have failed

To conceal

Life

It's no fun

When your hunted

By the things

That you feel

I hope I never

I hope I never

Have to sigh again

I hope I never

I hope I never

Have to cry again

I'm for living

While you can

l'm

An optimistic man

I hope I never

I hope I never

Have to see you

Again

Again

Oh, oh, oh, oh

I hope I never I hope I never I hope I never Never, never I hope I never I hope I never Have to see you Again Again
