

Tina Arena, I Want To Know What Love Is

Gotta take a little time
A little time to think things over
Better read between the lines
In case I need it when I'm older
Ooh yeah

This mountain I must climb
Is like the world upon my shoulders
Through the clouds I see love shine
It keeps me warm as life grows colder

In my life
There's been heartache and pain
I don't know if I can face it again
Can't stop now
I've traveled so far
To change this lonely life
I wanna know what love is
I want you to show me
I wanna feel what love is
I know you can show me
Yeah

Gonna take a little time
A little time to look around me
Got nowhere left to hide
Looks like love has finally found me

In my life
There's been heartache and pain
I don't know if I can face it again
Can't stop now
I've travelled so far
To change this lonely life
I wanna know what love is
I want you to show me
I feel what love is
I know you can show me
Yeah

Lord help me to be strong
On this road I travel on
When I'm lost and lonely
Find me

My journey's just begun
And I'm not the only one
Cause I wanna know
I wanna know
Yes I've found out
I want you to show me
I wanna feel what love is
Oh yeah
I know you can show me
I wanna know what love is
Yes I've found out
I want you to show me
I wanna feel what love is
You can't hide
I know you can show me
Yeah, Nah yeah
Cause I wanna know
Wanna know
Tell me what love is

Do you know what it is
Tell me what love is
Show me what love is
Show me what love is
