Tina Arena, I Want To Know What Love Is

Gotta take a little time A little time to think things over Better read between the lines In case I need it when I'm older Ooh yeah

This mountain I must climb Is like the world upon my shoulders Through the clouds I see love shine It keeps me warm as life grows colder

In my life
There's been heartache and pain
I don't know if I can face it again
Can't stop now
I've traveled so far
To change this lonely life
I wanna know what love is
I want you to show me
I wanna feel what love is
I know you can show me
Yeah

Gonna take a little time A little time to look around me Got nowhere left to hide Looks like love has finally found me

In my life
There's been heartache and pain
I don't know if I can face it again
Can't stop now
I've travelled so far
To change this lonely life
I wanna know what love is
I want you to show me
I feel what love is
I know you can show me
Yeah

Lord help me to be strong On this road I travel on When I'm lost and lonely Find me

My journey's just begun And I'm not the only one Cause I wanna know I wanna know Yes I've found out I want you to show me I wanna feel what love is Oh yeah I know you can show me I wanna know what love is Yes I've found out I want you to show me I wanna feel what love is You can't hide I know you can show me Yeah, Nah yeah Cause I wanna know Wanna know Tell me what love is

Do you know what it is Tell me what love is Show me what love is Show me what love is
