

# Tina Arena, Something's Gotta Chance

I was lost in a world looking inside  
And no one could hear me  
I close my eyes, and I'm somewhere else  
When no one can see me lying, I'm crying  
I need some peace  
But I haven't found it  
Something's gotta change  
Nothing stays the same  
Something's gotta change  
'Cause I can't live this way yeah  
I've had love, like a drug running through me  
But nothing that's lasting  
Turn my cheek, when a man gets weak  
Too guilty to speak, when nobody asks me  
That's passed me  
I am sad, but I'm still laughing  
Something's gotta change  
'Cause nothing stays the same  
Something's gotta change yeah  
'Cause I can't live this way  
Something's gotta change  
Nothing stays the same  
Something's gotta change  
'Cause I can't live this way  
Somebody open a door  
Somebody give me something more  
'Cause for sure  
Something's gotta change  
Something's gotta change  
'Cause I can't live this way  
Something's gotta change  
Oh Woah Yeah  
'Cause nothing stays the same  
Something's gotta change  
Yeah  
'Cause I can't live this way  
Something's gotta  
Something's gotta change
