

Tina Charles, Disco Fever

Disco Fever

Walking sideways like a crab

Making music work real bad

From your feet to the top of your heart

Go crazy with the feeling

You dont want to go to bed

Disco fever! Disco fever!

Disco fever! Disco fever!

Disco fever! Disco fever!

Watch your baby boogie down

Dont you stop till you hit the ground

Feeling good, make it your disire

You got to keep dancing

The whole place catching fire

Disco fever! Disco fever!

Disco fever! Disco fever!

Disco fever! Disco fever

Repeat

Disco fever! Disco fever!

Disco fever! Disco fever

Disco fever! Disco fever!

Disco fever! Disco fever

Everybody got a disco fever!

Disco fever! Disco fever

Everybody got a disco fever!

Repeat
