

# Tinie Tempah, Invincible (ft. Kelly Rowland)

Tinie Tempah, and she, Kelly Rowland  
Let's go.

[Kelly Rowland]  
Invincible, invincible  
Invincible, invincible  
We're invincible.

[Tinie Tempah]  
Aah, yeah, they said we shouldn't, Aah they said we wouldn't.  
Aah, look where we are, we've done what they thought we couldn't.  
As bad as the odds were looking, push yeah we kept on pushing.  
And every time I nearly hit the ground, you were my cushion.

There's evidence that proves that you were heaven sent.  
'Cause when I needed rescuing, you were there at my defense.  
Girl, in you, I find a friend, you make me feel alive again.  
And I feel like the brightest star, 'cause you make me shine again.

[Kelly Rowland]  
No matter where we are.  
No matter just how far our paths may lead.  
We don't need no shields.  
'Cause love is the armour that we need.

We're invincible, invincible.  
Invincible, love's our protector.  
We're invincible, invincible,  
Invincible, we're invincible.

[Tinie Tempah]  
Aah from the wildest water, aah to the highest mountains.  
Aah you and I forever, even through the driest deserts.  
You lift me higher than ever, I feel as light as a feather.  
And when we're fighting together, we can take on the weather.

I will keep you waterproof, every single storm you.  
Ever have to walk through, I will go before you.  
I will be the voice when you need someone to talk to.  
Please don't ever doubt me, let me reassure you.

[Kelly Rowland]  
No matter where we are.  
No matter just how far our paths may lead.  
We don't need no shields.  
'Cause love is the armour that we need.

We're invincible(we are), invincible(you are).  
Invincible, love's our protector.  
We're invincible(we are), invincible(you are),  
Invincible, we're invincible.

[Tinie Tempah]  
It's you and I against the world.  
They can't stop us now.  
We've come too far.  
We've worked too hard.  
We're invincible.  
Forever.

[Kelly Rowland]  
No matter where we are,  
No matter just how far our paths may lead.  
We're invincible.

[Kelly Rowland]

No matter where we are. (No matter where we are.)

No matter just how far our paths may lead.

We don't need no shields.

'Cause love is the armour that we need.

We're invincible(we are), invincible(you are).

Invincible, love's our protector.

We're invincible(we are), invincible(you are),

Invincible, we're invincible
