Aos, meses y dias
Muy larga soledad

Aos viened y van
Meses engaarn

Tratelo para' ca
Aos, meses y dias
Muy larga soledad

Aos, meses y dias

Words that you once told me
Live here within
Memories are planmtd deep
And root in
I simply want to tell you
That time stops here
Years, months and days
Live always in my heart

Years come and go
Months may betray
Day after day I wait
That one day you might return

Moon, if you see him
Please bring him to me
Years, months and days
A long solitude

Years come and go
Months may betray
Day after day I wait
That one day you might return

Moon, if you see him
Please bring him to me
Years, months and days
A long solitude

Years, months and days
A long solitude
